## KAUFMANN *Fabric Softener*

### *Product Data Sheet*

#### Application

Kaufmann Fabric Softener gives fabric Superior softness after washing with detergents. Kaufmann Concentrated Fabric Softener does not leave any residue and does not build up in your washing machine tray. A fresh, long-lasting fragrance that enhances the fabric long after drying and gives you the fresh-out-the-wash feeling. Kaufmann Fabric Softener works by coating the surface of the fabric fibers to leave the fabric electrically conductive, thus making the fibers feel smoother and preventing buildup of static electricity. Other functions are improvements of iron glide during ironing, increased resistance to stains, and reduction of creasing.

#### Dosage

- For hand washing, use one cap full on a hamper of laundry.
- For machine washing, fill the dispenser to the mark.

#### Physical Properties

Appearance:	Thick White Liquid
Specific Gravity:	0,965 - 0,985
